

COVID-19 Vaccination for Children Ages 5-11: What Parents and Teachers Should Know

What:

Albany Medical College Community Grand Rounds will be hosting a virtual presentation on the safety and efficacy of the COVID-19 vaccine for young children, followed by a Q&A for parents and teachers. We invite you to join us for this critical conversation between our health care providers and our community!

Who:

Presenters: Katie Goodspeed, Colin Duell, & Jamie Harkey
Expert Commentators: Dr. Brittany Tayler, MD – Internal Medicine & Pediatrics
Jenna Pitera – Albany Medical College Schaffer Library

When: December 13th 7:00 PM – 8:30 PM via WebEx

AMC Community Grand Rounds is a group of medical students, physician assistant students, and pharmacy students from Albany Medical College and Albany College of Pharmacy & Health Sciences. Started as a way for students to stay up-to-date with the pandemic, this student-led organization has become a leading platform for health education in the Albany community. Please feel free to reach out with any questions at: kennedm1@amc.edu – Maggie Kennedy
