Our Winter Concert!

Director's Note

First and foremost I would like to thank parents, administration, and Walter B Howard custodial staff for their support during this year. It had been challenging and now more than ever we needed a chance to create something together. All of the student performers that contributed to these recordings came together with their best musicality to create this "concert." To listen to each recording, click on the title of the piece to be taken to the video. The visuals have been created by the students when asked, "What does the Christmas season mean to you?"

Sincerely,

Ms. Kellie Daino, Choir and Band Director
