

Regents Week Exam and Transportation Information

June 4, 2024
Algebra I Regents

Grade 7 & 8 Full day of classes

8th graders taking the Algebra Regents will sit for the exam in the morning and attend afternoon classes

No Classes for Grades 9-12 – Only high school students enrolled in Algebra I should report for their Regents exam

High School (6/14 – 6/26)

High school students should only come to school for their Regents exams. The Regents exam schedule is printed on the reverse of this sheet. Students may report to school for the entire day, but they will have to remain in the cafeteria until their exam begins or after their exam is over. The only exception is for students meeting with a teacher who has planned and scheduled a Regents review session.
